

THE LAMB

Spread your love Keep a pure heart Friendship

In Angel's world the Lamb is the sharer, the one with pure heart that will be generous towards the other, that will open its soul to connect and share the power of love. It is the symbol of hope and empathy.

Angel uses the Lamb to connect with You through the power of hands, looking for a physical experience that will bring you closer. With this act, Angel is sharing a message of friendship, love, care and belonging

In this dance at four hands, Angel wants you to know that you have a gift that you can share with others, a gift that will be of benefit to humanity: the power of love.

***I have been waiting for this
moment for so long...
You, here, with me
Only you and I***
